FOREWORD

Although this book is primarily published to give the reader a pictorial review of the school events of 1945-46, we of the Coronal staff feel that special emphasis should be placed on many of our beautiful campus scenes.

It is our sincerest hope that you will enjoy this book and it will, in future years, revive many of your happiest school memories.

BOARD OF TRUSTEES

The board of trustees is composed of some of our leading citizens who have proven to us in many instances that they are continually placing the welfare of the students foremost in their thoughts and actions.

DIRECTOR OF CHILD WELFARE

Since Mr. Thome's office has been moved to the high school many of us have become more familiar with the many services he has extended to the students along the lines of vocational guidance.

SUPERINTENDENT

District Superintendent of Corona Schools, Frank E. Bishop, has always been looked upon by the students of the school as a friend and helpful advisor.

ASSISTANT SUPERINTENDENT

Although many of us have not had the opportunity of personally meeting and working with our assistant superintendent, Mr. Hull, we are continually aware of the many things he has done in our behalf.

The right to dream is one of God's unquestioned gifts to man—yet dreams, without deeds, are only empty substitutes for achievement.

Out of man's dreams come the miracles of machines—the miracles of medical progress—the comforts and luxuries of life.

Students—you are living in an age unparalleled by progress. What, with radar contact with the moon—the freeing of atomic energy and the reality of lunch in California and afternoon tea in New York — the future holds marvels only waiting for your dreams — your deeds — to release them.

My sincere wish for each of you is, that you will dream great dreams and that you will constantly strive to use your God-given talents to change those dreams to realities — so the world will be made better, and people happier, because you have lived.

CLASS HISTORY

Because the class of '46 totaled nearly 126 members upon entering Corona Senior High School, they were represented in almost every activity or club of importance. Some of the highlights of their first year in high school were: The "Sadie Hawkins" dance which was presented on April 14; the sophomore assembly, presented in the form of a variety show, and the decorating for the senior baccalaureate service.

Upon entering their junior year in high school, the class of '46 elected Robert Freeman to serve as president. Shortly after his election, Bob left for the Navy, and was succeeded by Yvonne Dupuis, a very capable vice-president. An Hawaiian motif was used in the decorations and the food for the junior-senior prom, which was presented by this class. Mary Rose Muratore and Eugene Bristow took the stellar roles in the annual junior play, "You Can't Take It With You." The class of '46 was represented at executive board meetings by Alyce Iriart and Frank Brewster.

The members of this year's senior class proved to be leaders in nearly every school activity. Six members of this class, Frank Brewster, Alyce Iriart, Helen Emerson, Jean Sherlock, Duke Jordon, and Oneta Perrin, served in the capacity of student executive officers. The senior assembly, presented in the form of a radio program, proved to be one of the most outstanding events of this school year.

At the first of the year the following were chosen to serve as class officers: President, Charles Slater; treasurer, Betty Tucker, and executive board representative, Verne Olufson. Vice-pres., Margaret Enriquez; sec., Mary Ellen Schumacher.

Even though the graduating class of 1946 will soon leave, their fine reputation will linger on to serve as an inspiration to the underclasses.

JUNIOR CLASS

JUNIOR CLASS EXECUTIVE BOARD

This year's junior class carried the torch in an unusual number of school activities. In the fall, the class of '47 successfully managed the Lemonville dance in addition to several money-making booths. The precision in planning was due largely to Mrs. Noel, chairman of the faculty sponsors.

Just before Christmas vacation the junior assembly was presented, much to the delight of the student body. The theme was that of a Hollywood movie setting, visited by local residents.

In the spring, the class play was presented with great success. Some new dramatic ability was revealed in "And Came the Spring."

This class provided more than their share of the talent this year in every field, including athletics, scholarship, and dramatics.

Secretary	Florence Stambaugh
Treasurer	Ray Holton

SOPHOMORE CLASS

SOPHOMORE CLASS EXECUTIVE BOARD

Ardeth Ann Noble was elected president of the class of '48 which entered Corona High School September 11, 1945. Ardeth Ann was assisted by Morell McGregor, vice-president; Margaret Flores, secretary; and Imogene Harris, treasurer. Robert Sanford and Nelda Nolan were chosen yell leaders; Dawn Blacker and Vernon Grassie, student body representatives; and Dolores Lemus, Tom Allen, Virginia James, Joe Moreno, and Wayland Nelson, English class representatives. Mrs. Stewart and Miss Sprague were class sponsors.

"Pitchers' Paradise," a booth at Lemonville, was sponsored by the Sophomores. They also participated in the Christmas skit, "Foot-Balls and Powder Puffs." The class presented an assembly, and decorated for the baccalaureate service.

ORGANIZATIONS

CORONAL STAFF

This year's pictorial record of the outstanding school events has been made possible through the combined efforts of the Coronal staff and faculty advisors.

This year's staff includes: Oneta Perrin, editor-in-chief; Ray Holton, business manager; Mary Ellen Schumacher, Helen Richards, Mildred Reeb, Gordon Addison, Morton Henson, Bob Bolland, and faculty advisors, Mr. Bynum, Mr. Frazier and Mrs. Hyatt.

STAMP CLUB

One of the more recently organized clubs this year at Corona Senior High School is the Stamp Club, under the supervision of our Superintendent, Mr. Bishop. The main function of this club is to draw students who are mutually interested in stamps together to exchange stamp information and stamps.

It is hoped that next year an equal number of enthusiastic stamp fanciers will take an active part in the functions of this interesting club.

SCHOOL SERVICE CLUB

The School Service Club, a new organization this year, has taken upon itself the responsibility of beautifying as well as improving our school. Although their services have been unlimited, space permits us only to list a few of their activities, such as: painting the trophy cases and the bulletin boards, putting potted palms in the corridors, and decorating the stage and the front hall entrance.

There has long been a need for an organization of this kind in high school so we feel that special thanks should be expressed to Miss Healy, the sponsor of the club.

GIRLS LEAGUE

One of the biggest as well as the most active organizations at Corona Senior High School this year is the Girls' League. In addition to sponsoring the traditional white Christmas gift campaign, big and little sister day, and Hi Jinks, they also had numerous interesting and entertaining programs, such as: Mrs. Ella Pfister, director of personal guidance at the Burbank city schools; Dr. Spring, President of Chaffey Junior College; Mrs. Case from Bullocks in Los Angeles, presenting a fashion show, and different school talent programs.

The officers elected for the 1945-46 school year included: President, La Verne Miller; Vice-president, Helen Richards; Secretary, Florence Stambaugh, and Gladys Jellsey, Treasurer.

GIRL RESERVES

The Girl Reserve Organization has been one of the most active student organizations this year at Corona Senior High School. As well as sponsoring the annual Girl Reserve formal dance, this group sponsored: a weekend snow party, a talk on boy-girl relations, and a backward dance. Settlement house work has also been one of their most active projects this year.

The officers for 1945-46 included: president, Barbara Wheeler; vice-president, Edith Ann Jameson; secretary, Dorothy Huffman; treasurer, Patsy Howard; music director, Peggy Gills; publicity director, Kathleen Bishop; food director, Patty Padgett; devotional director, Helen Emerson; service chairman, Jeanne Lyman; program chairman, Yvonne Dupuis; corresponding secretary, Jean Sherlock; history, Loreen Barnes; sponsors, Mrs. Margaret Palma and Mrs. Arlys Tuttle.

SCHOLARSHIP SOCIETY

Probably the most select organization at Corona Senior High School is the Scholarship Society, which had a grand total of 32 members for the second semester. The membership for the second semester was comprised of 15 sophomores, 11 juniors, and 6 seniors.

Even though the members of this organization served as guides at the annual Ninth Grade Visitation Day, their big social event was a trip to Exposition Park in Los Angeles.

TENNIS CLUB

The tennis club under the direction of Mrs. Arlys Tuttle had a fine record for the year of 1945-46. About thirty members took part in its various activities throughout the school year. In the fall an excellent dance, featuring a cider cellar, was held in the gymnasium. In February the club earned some money by controlling the valentine box in the main hall in a clever manner. Throughout the spring tennis season many of the tennis club members competed against other schools in this vicinity. The officers for the year were elected as follows:

President, Barbara Wheeler; Vice-president, Raoul Munoz, Secretary-treasurer, Bernice Bradley.

GLEE CLUB

During the past year the vocal department of Corona Senior High School has made a fine showing in the various programs in which it has participated. The combined chorus of "B" period and the regular fifth period class totaled 45 and the organization grew throughout the year. In the Christmas program the Glee Club was one of the highlights of the evening in their presentations of Christmas numbers in addition to selected numbers from the Messiah. Director J. Lorin Farmer sent a large number of these vocal students to the spring festival held at Claremont where they made a fine showing. A fine Easter program was also presented by this group and the audience thoroughly enjoyed the selections that were rendered.

At the first of the year the following officers were chosen:

President, Shirley Gollhier; Vice-president, Gordon Addison; Secretary-treasurer, La Verne Combs; Librarian, Charles Koehler; Custodian, Bob Wright.

PANTHERS DEN

After a very successful start last year, the Panthers' Den continued its fine work in the fall. The Den sponsored dances nearly every week at which the youth of Corona enjoyed many a good time. In November the organization held a weiner bake at the stone quarry. All the activities were well attended and maximum support was given the Panthers' Den. The autumn election showed the following results:

President	P. H. Phillips
1st Vice-president	Jean Dupuis
2nd Vice-president	Vivian Nolan
Secretary	Ardeth Ann Noble
Representative from the Youth Council	Frank Brewster

ORCHESTRA

The orchestra under the capable leadership of Miss Margaret Spiller, made a fine name for itself during the year of 1945-46. Besides the regular practice during the day, an additional rehearsal was scheduled one night every week. The orchestra received aid from some local town musicians for most of their programs, and this help was greatly appreciated by the entire student body.

At the Christmas concert the orchestra played a fine group of arrangements that went over big with the audience. In the spring a group in this organization went to the Tri-County festival, held at Claremont. Also, a spring concert was given which featured several soloists from high school. A well selected repertoire was picked, including popular, march, and classical music. The public enjoyed thoroughly the efforts of this musical organization.

PEP BAND

Under the capable direction of Miss Margaret Spiller this year's pep band was a great success. With the combined efforts of the Junior and Senior High the organization numbered nearly 25. The bright crimson and gold capes and caps added much color to the gridiron and cage contests of the high school.

G A A

The Girls' Athletic Association is made up of a group of athletic minded girls who can't get their fill of sports during the gym period.

The "Pantherettes" represented Corona Senior High School at several playdays during the year, including: basketball at Citrus, speedball at Claremont, swimming and minor sports at Bonita, and a sophomore playday at Chino.

A combined Letterman-G. A. A. party, an initiation party, and the annual G. A. A. banquet were a few of the many social functions sponsored by this group.

The officers for the 1945-46 school year include: president, Shirley Gollher; vice-president, Vivian Nolan; secretary, Pauline White; treasurer, Margie DeWitt; manager of speedball, Mary Rose Muratore; manager of basketball, Alyce Iriart; manager of tennis, Barbara Wheeler; manager of baseball, Gloria Self; publicity chairman, Dorothy Huffman; Sophomore representative, Charmayne Lecson; manager of hockey, Patty Padgett, and faculty sponsor, Mrs. Arlys Tuttle.

LETTERMEN'S CLUB

Although the Lettermens' Club is one of the oldest organizations in the school, it has never failed to attract numerous new members.

Even though there is a stiff initiation to be coped with, the membership of this club was increased by over 20 members this year.

On October 5, after the Downey football game, this club sponsored a dance, which proved to be one of the big highlights of the school year.

The following members showed their leadership qualities by acting as officers: Tom Reed, president; Leo Kroonen, vice-president; Tom Moffett, secretary and Lloyd Lay, treasurer.

THESPIAN SOCIETY

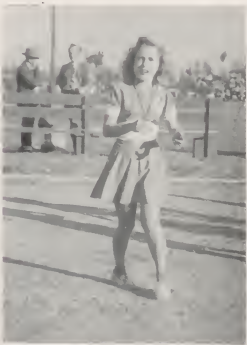

Corona Senior High School Troupe 316 of the National Thespians Society is a new organization this year, under the sponsorship of Miss Sprague.

The purpose of this Society, established in 1929, is to establish and promote standards of excellence in all phases of dramatic arts and to create an active and intelligent interest in dramatic art among students. The motto is: "Act well your part; there all the honor lies."

Thirty-one students are charter members this year. Membership is a reward for meritorious participation in dramatic arts and also evidence of the students' desire to be associated with other high school boys and girls who are displaying outstanding talent in the dramatic arts field.

SONG LEADERS

YELL AND SONG LEADERS

Without the enthusiastic spirit which our competent yell and song leaders have instilled in the student body members of Corona Senior High School, it is somewhat doubtful whether the Panthers would now have so many victories to their credit.

Before the Claremont game the song and cheer leaders planned a football bonfire rally during which a corpse (representing the rival) was burned.

The cheering section was led by the cheer leaders, LeVerne Miller, Shirley Gollither, and Mary Rose Muratore, while Lynn Hanson, Pauline White, Vivian Nolan, and Dixie McElhany supervised the songs.

ACTIVITIES

LEMONVILLE

Seven-thirty P. M. October 26, the traditional Lemonville audience found their seats in the Corona Senior High School Auditorium to witness three plays, "Sugar and Spice," "Last Night," and "Happy Journey." These fast moving, colorful, one-act plays were presented by the dramatics classes under the direction of Miss Thelma Sprague.

Preceding and following the entertainment in the auditorium were booths, which were sponsored and operated by various organizations and classes.

Promptly at nine o'clock the gym was opened to guests and students. As the doors closed at eleven o'clock everyone left with the feeling that in this year, 1945, the traditional Lemonville had been a great success.

"HAPPY JOURNEY"

"LAST NIGHT"

"SUGAR AND SPICE"

JUNIOR PLAY

On the evening of March 1, the junior class presented their annual play to a good-sized audience in the auditorium. This year's edition was a youth comedy, "And Came The Spring," centered around the events of spring vacation. It was warmly received by the crowd attending.

Members of the cast included: Dixie McElhany, Bill Gist, Nancy Wroot, Chuck Macon, Gordon Addison, Lorraine Chapin, Bill Shannon, Patsy Howard, Art Moore, Edith Jameson, Shirley Brooks, Don Eells, June Childress, Bob Underhill, Ray Holton, Margie DeWitt, Shirley Brooks, and Bob Wright.

Miss Thelma Sprague was the director while Raoul Munoz was stage manager with Dorothy Huffman assisting.

FOOTBALL BANQUET

The night of December 6, 1945, will be remembered by the football teams as the night of the Lions Club annual football banquet. Guest speaker of the 200 assembled was Bert La Brucherie, head coach at UCLA. High point of the evening however, was the announcement that Ed Bell had been selected as the most valuable player of the varsity team. He received the 20-30 Club trophy for service to the team and sportsmanship. Bob Townsend was announced as captain of the team for 1946.

HI-JINKS

To the theme of "Stardust," the annual Hi-Jinks coronation and dance took place on March 15 in the high school gymnasium.

At 9:00, under the star studded canopy, Barbara Wheeler was crowned queen by Helen Richards, vice-president of Girls' League. Barbara was attended by a court consisting of Isabel Munoz, Alice Chavira, Colleen Staton, La Verne Miller, Alyce Iriart, and Mary Ellen Schumacher.

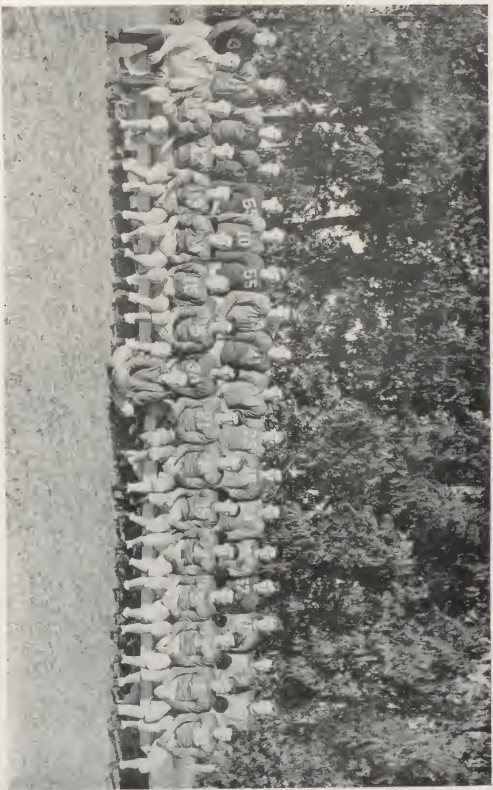

SPORTS

COACHES

VARSITY FOOTBALL TEAM

"X" FOOTBALL TEAM

Varsity Football

Although starting badly, the Panther footballers of 1945 ended their season with two straight wins to give them a record of three wins and five losses—two wins and three losses in league competition for a fifth place standing.

Led by a first string line of ends, Lay and Olsen; linemen, Finnell, Attebery, Shannon, and Kroonen; center, Jordan; and backs, Martinez, Bell, Brewster, and Townsend. Slattery, Eells, Reed, Gadberry, Walker, and T. Allen ably assisted in the line, while Jenkins, Smith, Warren and Nelson helped out in the backfield.

The Panthers opened their season on September 29 when they battled at Colton under the lights. Colton scored in the last quarter to break a 6-6 tie to win 12-6, after Martinez had scored for Corona early in the first quarter to give the locals the lead.

In a second practice game a week later, the locals were defeated by a strong Downey eleven, 19-7, on the local field.

Their first game saw the Panthers go down in defeat by one point, 20-19, in the hands of Chino. Behind two touchdowns in the final quarter, the locals opened up but couldn't make their extra points.

Claremont came to town October 22 and badly trounced Corona, 18-0.

Starting out fresh again after their first defeat, the locals with a new set of plays and formations, trounced a visiting Citrus team 19-0 for their first 1945 victory. Lay, Finnell, and Bell scored the touchdowns as the Panthers looked pretty good for a change.

Leading until the fourth-quarter, the Panthers were downed by the 1945 Tri-County League champions, Bonita, 12-7 there on November 2. With Bell scoring in the third quarter, the Panthers led 7-6 until the final stanza when Bonita pushed over their score.

Their final league game proved harder than they had expected, but the locals eked out a 6-0 win over Puente to escape the Tri-County League cellar. Smith scored the touchdown in the fourth quarter at Puente.

The locals ended their season successfully as they defeated Elsinore 14-13, in a Thanksgiving Day game at Elsinore. Martinez was the big gun for Corona, scoring one touchdown, passing to Lay for the other touchdown and kicking the very essential extra points.

The locals ended their season with three victories against five losses and were fifth in the Tri-County League. Frank Brewster captained the eleven with S. E. Waldrip coaching, assisted by Bill Heckert.

Among the squad members were four iron men who played in every quarter of the games: Roland Attebery, Benny Finnell, Duke Jordan, and Lloyd Lay. Other 1945 lettermen included, Ed Bell, Don Eells, George Gadberry, Walt Jenkins, Leo Kroonen, Celestino Martinez, W a y - land Nelson, Paul Olsen, Tom Reed, Bill Shannon, Chuck Slatery, Bud Smith, Bob Townsend, Glen Walker, Roy W a r r e n , Frank Nugent, and Manager Alvin Bradley.

"X" Football

The Corona High "X" footballers ended their 1945 season with an o.k. average—winning one, losing one, and tying one. However, this year they did not win the league championship, a feat which they had accomplished in each of the four previous years.

Getting a late start at practice and without the benefit of a practice game, the locals went over to Chino on October 11 and

emerged with the long end of an 18-6 score. Touchdowns by Reeder, Burnett and Wyrick gave the locals the needed extra points.

Two weeks later the "little Panthers" took another trip, this time to Citrus. However, they did not return quite so victoriously, losing by a 19-13 score. They just weren't on the ball that day and received their first defeat in five years.

On November 1, the team played their last and only home game—this time fought the Bonita lightweights to an 0-0 tie, although outplaying them most of the time. The Coronans got as close as the Bonita 2 yard line but could not hit "pay dirt."

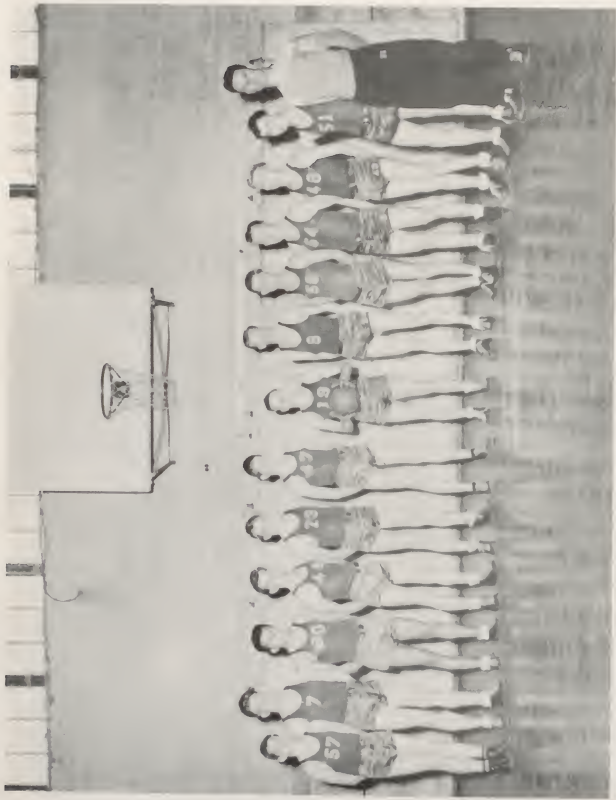

This year's squad was captained by "Chewy" Moreno, one of the few men on the team who had experience from last year. Coach Brooks was again at the helm. Lettermen are Captain Moreno, Jack Kroonen, Vernon Grassie, Glen Brooks, "Chump" Gunderson, Bob Cleveland, Neil and Jerry Lillibridge, Art Kraft, Bob Morrell, Gerald Craig, Dick Garton, John Wyrick, Dave Rawson, Bill Schramm, Lindell Burnett, Jack Russell, Dick Allen, Harold Reeder, and Bob Allen, Manager.

VARSITY BASKETBALL TEAM

"B" BASKETBALL TEAM

Varsity Basketball

With only two lettermen returning and very few players who had any experience at all, the local "A" team did not fare too well this year, but managed to grab fifth place in the Tri-County League with two wins and eight losses. The locals did better in practice competition winning six and losing four for an over-all record of eight wins and twelve losses, which is not half-bad considering these handicaps.

Corona opened their season with a practice tilt with Elsinore and triumphed by one point, 18-17. Although a close game all the way, the locals lost their first league game by a 31-27 score when they met Claremont there on December 7. Finnell scored 10 and Parks 8 for the locals.

Journeying to Citrus, the locals had no better luck in their second league game which they dropped by a 36-20 score.

The Panthers started the New Year right with two straight wins, a practice victory over Colton, 29-26, and their first league win, a crushing 41-27 win over Puente on January 11 on the local court. Lay was the big gun for Corona with 17 points to his credit in that battle.

A visit to San Bernardino proved disastrous as a strong "Ber-doo" five topped the locals 50-20 in a practice tilt. The following Friday, the locals were still off as they lost 24-17 when they visited Chino.

Corona again got the best of Colton—this time at Colton by a 30-27 score. Still winning, the Panthers trounced Claremont 33-20 on January 25 on their home court as Lay scored 14 points and Finnell 7.

Surprising everybody, including themselves, the locals took the measure of the visiting San Bernardino five by a 26-17 score in an upset practice game. After Finnell tied up the score in the final minute of the Citrus game the locals lost out in the overtime, to lose by a 34-32 score in a league game at Corona on February 1.

In a close practice game, Downey topped the locals 22-19 the following Tuesday. In a close game played at Bonita, the Panthers were defeated a gain by three points, this time 30-27 to make their league record two wins and five losses. Lay scored 11 and Finnell 9. Going to Puente, the locals lost a heart-breaker, 37-35 on February 15.

A visit to Downey for a practice game gave the locals a 41-18 loss, as Downey was too hot for the Panthers. A see-saw battle with Chino on the night of February 21 went the wrong way as Chino came out on top by a 38-33 score although the lead changed many times.

Lloyd Lay led the team offensively with 161 points to his credit, with Benny Finnell next with 137, Barney Parks and Chuck Slattery were next with 64 and 51 points apiece. Roy Warren had 29, while Gordon Addison and Wayland Nelson each had 25.

As a team the locals were outscored 576 to 528, an average of 28.8 to 26.4 per game, or a margin of only two points.

Lettermen included Captain Slattery, Finnell, Lay, Parks, Nelson, Addison, Warren, and Kroonen. Completing the squad were Dick Rawson and Tom Allen.

"B" Basketball

Although they had to settle for only a co-championship this year, the Corona High "B" basketballers again proved they were among the classiest teams in the Tri-County League as they tied for top place with the Citrus "B's" with eight wins and two losses each.

The season started well enough, as they won their first 8 games. After defeating Elsinore 20-10 in a practice game, the locals went to Claremont for a league tussle and took Claremont to the cleaners on December 7 by a 36-17 score.

The Panthers then went to Citrus where in a close finish when their lead was almost overcome, they defeated Citrus 29-26 for their second straight league triumph.

Continuing their winning ways after New Year's, the locals took a 27-14 practice win from Colton on the local court. On January 11, Corona thumped their guests, Puente, by a 32-20 score for three league wins as Gunderson scored 13 points and Phillips 8. A visit to San Bernardino for a practice game brought the locals a hard-fought 27-21 victory.

On January 18, the locals visited and defeated Chino by a 32-19 score although at the half the score was tied. Gunderson and Phillips shared scoring honors with 8 points each, while Jenkins had 7. In their first loss over a period of 28 games in two years, the locals fell before Colton in a practice game by a 31-23 count the following Tuesday.

Bounding back, the locals won their fifth straight league game when they defeated Claremont 28-11 in the Corona gym, with Jenkins scoring 11 points and Gunderson 7.

On February 1, the Coronans lost their first league game when a hot Citrus team bumped them on their home court, 40-28. Attebery scored 10 points and Rawson 8, but they could not stop the Cougars.

The locals suffered their second league loss as they dropped a 27-24 tilt to Bonita there on the night of February 8.

A visit to Puente a week later got the Coronans started again and they took Puente into camp, 36-22 with Martinez and Phillips each putting in 9 points.

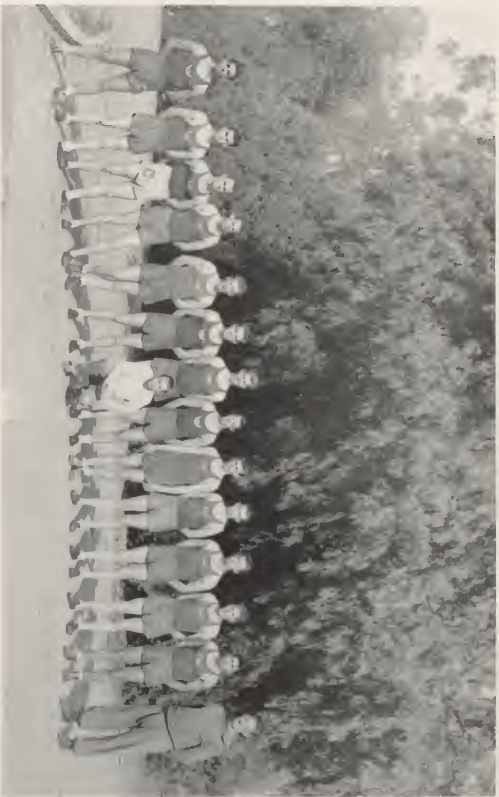

With a score within a few points all the way, the locals ended up on top as they trimmed Chino 36-33 in a league game, February 21. Gunderson scored 13 points and Martinez 10 for the top scorers. In their final game of the season in which the locals knew they had to win to get even a tie for the championship, the locals defeated Bonita 34-23 on February 26 to win the co-championship.

In the scoring department, "Chump" Gunderson led the team with 174 points scored. Dave Rawson was next with 110 points while P. H. Phillips was close behind with 107. "Burrhead" Attebery was fourth with 68 points while "Celes" Martinez had 47, Walt Jenkins 41, and Odell Rogers 21.

"B" lettermen for this 1945-46 season included: Gunderson, Rawson, Phillips, Martinez, Rogers, Attebery, and Jenkins. Also finishing the season on the team were Dick Allen, Morrell McGregor, Ray Holton, Alvin Bradley, Jack Kroonen, and Vernon Grassie.

As a team, the Panthers showed their strength by outscoring their opponents 594 points to 446 over 20 games, an average game score of 29.7 to 22.3. Showing they also played a better brand of ball than their opponents, they had less fouls called on them.

VARSITY TRACK TEAM

"X" TRACK TEAM

Varsity Track

Capturing a third in the Tri-County meet as well as doing well in some of the larger meets, the Corona High varsity track team had a highly successful year under the guidance of Coach C. J. Slattery.

"Chuck" Slattery grabbed a first in the 880 and Glen Walker a tie for first in the pole vault for the Panthers' best marks at the meet. Attebery took a second in the mile, Celes Martinez a second in the broad jump, Brewster a third in the 440 and Moffett a third in the 880 for other high Corona places. Bell had a fourth in the shot put, Lay a fourth in the 220 and Lemus a fifth in the 100. The Corona relay team of Bolland, Lescault, Townsend, and Rathbone placed third.

In some of the earlier meets the locals also did well. One of their relay teams won a relay at Brea-Olinda March 1, with Lemus running 110 yards, Lay 220, Brewster 440 and Slattery 880. A week later the local tracksters took a third at a Colton meet. Winners for Corona were Martinez in the broad jump, Slattery in the 880, Walker in the pole vault, and Lemus in the high jump. Moffett was second in the mile.

Later at the Bonita Invitational meet, Walker got a tie in the pole vault for the locals' only first place. Slattery and Attebery got seconds in the 880 and mile respectively.

The locals had teams at various other big meets, such as Huntington Beach, Chaffey, and the C. I. F. preliminaries. Although not winning every time, the track men had fun trying, and many of them have medals and ribbons in the events in which they did come out successful.

Panther sprinters included: Lemus, Lay, Rathbone, Lescault, Bolland, Townsend, and Brewster. Distance men were Moffett, Slattery, Attebery. Field men included Walker, Bell Martinez, and Allen.

"X" TRACK

Although having only a few men out, the Corona "X" trackmen had a good year and captured third place at their big meet of the year, the Tri-County League meet on April 12 at Chino.

With only nine men qualified for the finals, each one of them won points as they came a good third among the six teams. Danny Blakeley scored nearly one-third of the locals' points, making $11\frac{1}{2}$ of their $35\frac{1}{2}$. He won the 75 and 150 yard dashes in time of 8.1 sec. and 15.5 sec. respectively, breaking his record for the 150 that he had set a week before and tying the league record for the 75. He also garnered a fifth in the shot put. Neil Lillibridge nabbed a first as he won the 1320 for the Panthers. Bill Gist took thirds in the 75 and 150 and Bill Black a second in the 660. Ruben Delgadillo got a third in the 330 and Bob Danieri a fourth. Jack Kroonen got a fourth in the 1320 and Wally Wilson a tie for fifth in the pole vault. The Corona relay team of Blakeley, Gist, Richard Hall, and Danieri took fourth.

Earlier in the year, the local "X" team took a third at the Colton meet. Winning firsts were Gist in the 150, Danieri in the broad jump, and the relay team of Blakeley, Gist, Hall and Danieri.

Later at the Bonita Invitational meet, the locals were fourth but they outscored two other Tri-County League rivals. Black won a first in the 660, Blakeley a first in the 75 and third in the 150, Gist a second in the 75 and fifth in the 150, Kroonen a third and Lillibridge a fourth in the 1320, and Wilson tied for third in the high jump.

The locals also participated in several other large meets but usually had to run varsity and did not fare so well. However, it gave them good practice for their "X" meets in which they had plenty of competitive spirit and showed up well, although they had a small squad. C. J. Slattery was again coach of this squad.

VARSITY BASEBALL TEAM

Varsity Baseball

The Corona varsity baseballers, with only one letterman from last year's championship varsity team, and with not a senior on the team most of the time, nevertheless, finished in the upper division of the Tri-County League as they had a good season under Coach S. E. Waldrip.

Starting out unexperienced, the locals lost their first game, a practice one to San Bernardino 9-0. The locals could garner only four hits. Playing their first league game, the Panthers lost a close one to Chino 7-6 on March 12 as Smith, Parks, and Phillips each got two hits.

The locals won their first league game as they topped Claremont 4-3 on their home field with a run in the last inning batted in by Phillips. The locals took their second straight league win as they topped Citrus 11-4 on March 26. Phillips got four hits for the locals as P. Martinez pitched good ball.

Bonita, with a strong team, topped the locals 6-2 as they scored four runs in their last inning. The locals got only one hit—that by Finnell. The Panthers resumed winning on April 9 as they topped Puente 10-8 to give them three wins and two losses in their first round of league play.

A thirteen-inning duel saw the locals lose to Chino on April 26, 7-6, as both teams nearly won several times. Corona put out several rallies but could not stop Chino in the last inning. C. Mar-

tinez hurled good ball for Corona and got three hits. Smith got four and Finnell one. The locals defeated Downey 10-7 in a practice game where they led all the way.

The Panthers really went to work the next Friday when they defeated Claremont by a 25-4 score. They got 17 hits with C. Martinez and Allen each getting three. Celes also got a home run.

This didn't stop them a bit as on May 10, they took Citrus into camp by an even worse score, 24-1 to give them five league wins and three losses. Celes Martinez got another homer and he and Pete Martinez pitched six-hit ball for the Coronans.

The Coronans finished their season with another practice game with Downey and two league games with Bonita and Puente, all at home.

Top batters were Smith and Phillips with most of the others not far behind. Pete and Celes Martinez shared duties on the mound most of the time with Celes playing the outfield when not pitching. Wayland Nelson did a good job behind the plate as did Barney Parks at first base. Rolland Attebery was at second towards the end of the season, P. H. Phillips at shortstop and Dick Allen at third base. Other infielders were Richard Harter, Alvin Bradley and Frank Gonzales. Bud Smith and Benny Finnell were steady outfielders with Ray Holton and Roy Logan also out there at times.

Varsity Tennis

Resuming league competition for the first time in several years, the Corona High varsity boys' tennis team had several matches this spring. Their first league match saw them top Chino by a 7-2 count. Holton, Lee and Wilson won singles matches while the teams of Munoz-Slattery and Kroonen-Addison won doubles matches.

Practice matches with Downey were lost, 4-3, with Wilson and Holton winning in singles and Munoz-Slattery in doubles. The Panthers then blanked Claremont in league matches on May 2 as every Coronan won. Wilson, Holton, Lee, Bomar and Macon played singles and Slattery-Munoz and Addison-Kroonen doubles. Citrus then topped Corona 7-2 as only Holton and Lee won matches. The others

however extended their opponents to three sets in several cases and gave them hard battles. The season was ended with matches at Bonita.

Besides these team matches, the better local players also participated in several big tournaments, one at Santa Monica and one at Orange. The local team was composed of Wally Wilson, Al Lee and Ray Holton alternating in the first three singles and Randall Bomar, Chuck Macon, and Paul Dolan playing the other two. Raoul Munoz and Chuck Slattery composed the first doubles team and Gordon Addison and Leo Kroonen the second.

Mrs. Arlys Tuttle was the coach and it is hoped to play even more next year. The locals should have a fairly strong team as only two players graduate.

SERVICE PERSONNEL

Although we, the class of '46, recognize the fact that you, the returned veterans, would much rather have graduated with your own classes, we hope your delayed school days at Corona High School have been a joy to you. We realize that we can probably never fully repay you for the many sacrifices you have gone through in our behalf, but we would at this opportunity like to welcome you as regular members of the class of '46.

The Panther Baseballers played Claremont and the Girls Tennis Team went right along and showed the Claremont tennis teams a thing or two at the same time.
- 9—The Boys Tennis Teams played the Citrus teams.
- 10—Corona met Citrus in a baseball game while the C.S.H.S. Orchestra presented a Concert that evening.
- 17—A baseball game at Bonita with the Junior-Senior Prom in the evening.
- 24—Puente clashes with the Panthers in a baseball game. Senior Class night.
- 30—Memorial Day.

June

- 2—High School Baccalaureate.
 - 6—Commencement!
 - 7—End of school.
- 'Tis time came again to say, "farewell" to office dates and tardy bell,
To football games and school cheers, to homework nights and grade card fears,
To all the teachers' dirty looks, to spelling lists and history books,
To all these things we say, "adieu," being sad and a little blue,
But there's no need to feel that way,
'Cause summers here for many a day.
